What to wear and expect

You don't have to dress up, but let's look nice for court

1 Be comfy!

You should be comfortable in court. Just leave the pajamas at home.

2 Dress in layers

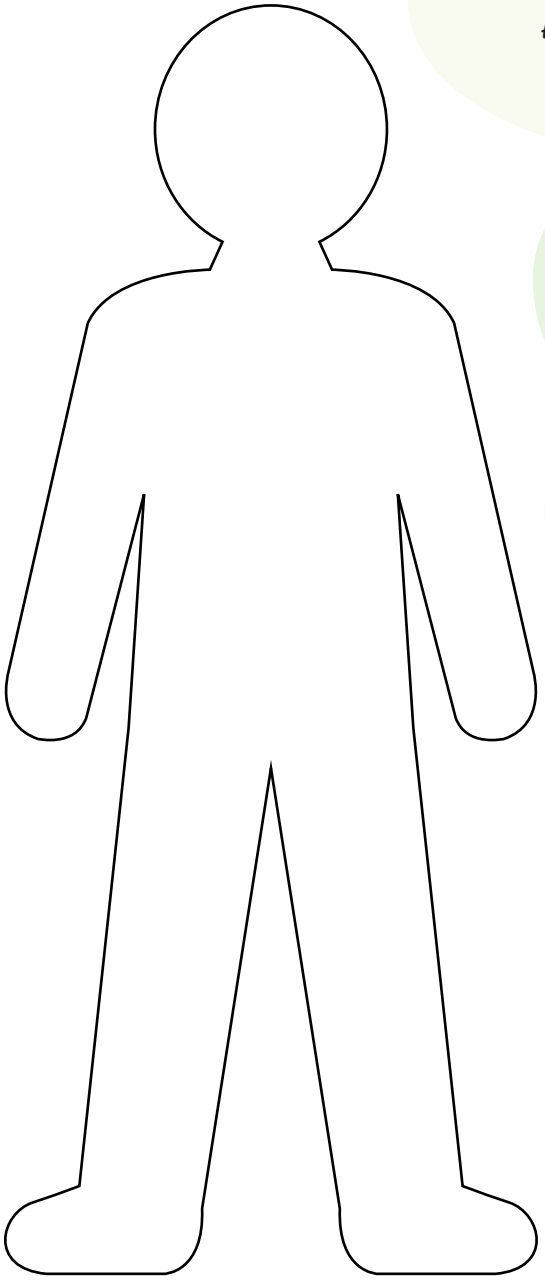
Courtrooms can be a lot like your school. Sometimes it's hot, sometime's in cold. So bring a jacket or sweater if you think you might be cold.

3 Jeans are fine

And so are skirts as long as they're an inch or two from your knee.

4 Phones are allowed sometimes

But be sure to silence it, put it away, and don't use it during the trial.



5 Security in court

Just like the airport, you may be asked to remove belts, jewelry, or jackets for safety.

6 You don't have to dress up

No need to dress up—just avoid anything offensive. If you can't wear it to school, don't wear it to court.

Cut out clothes from the other sheet to glue or tape on this person.
